

Parkstone Primary School
Pupil Premium for 2015 - 2016
£103,481

The purpose of this report is to explain how the Pupil Premium for 2015-2016 has been allocated.

Our school receives additional funding via the Pupil Premium to help ensure that all groups of children have the opportunity to achieve well. Funding is linked to the number of pupils who are eligible to receive free school meals or are 'Looked After' or belong to 'Service Families.' This does not include those in receipt of Universal Free School Meals in Key Stage 1.

The DfE guidance states that schools are free to spend their Pupil Premium allocation as they see fit since they are best placed to assess what additional provision should be made for the individual pupils within their responsibility. However they also remind schools that they are accountable for the impact of this spending.

We are mindful of the importance of not confusing entitlement with ability as the Pupil Premium is an entitlement to ensure that all eligible children make the progress and reach the standards they are capable of.
