

PE and Sport Premium Spending 2017-2018

What is the Sports Premium?

The Government is providing funding of £150 million per annum until 2020 to provide new, substantial primary school sport funding. This funding is being jointly provided by the Departments for Education, Health and Culture, Media and Sport, and will see money going directly to primary school head teachers to spend on improving the quality of sport and PE for all their children.

The sport funding can only be spent on sport and PE provision in schools.

Purpose of funding

Schools will have to spend the sport funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this.

Possible uses for the funding include:

- hiring specialist PE teachers or qualified sports coaches to work alongside primary teachers when teaching PE
- paying for professional development opportunities in PE/sport
- providing cover to release primary teachers for professional development in PE/sport
- running sport competitions, or increasing participation in the school games
- buying quality assured professional development modules or materials for PE/sport providing places for pupils on after school sport clubs and holiday clubs.

PE and Sport Premium funding for 2017 – 2018

Total budget = £18, 940

Provision	What we hope to achieve	Cost
Specialist coaches employed to train staff in teaching PE and sport.	Develop teachers' confidence and skills when teaching PE lessons. Children will receive 2 hours of 'good' or better rated PE sessions per week.	North Hull Sports Network cost to school = £9,378.00
Increase the sporting activities that the school offers at lunchtime and after school.	Girls football club at lunchtime to increase girls self esteem and confidence. Number of serious lunchtime incidents to be reduced. Children attend free sports clubs after school .
