Headteacher – Mrs Sarah Waller

Wednesday 1st February 2017

Dear Parents/Carers,

Marvellous Me

I hope you are enjoying being able to share your child's achievements and good news with our new interactive app. If you have not yet completed and returned the consent slip, please call into the school office or give us a ring and we will make sure you are signed up.

Parent Workshops

It was lovely to see so many of you were able to attend the maths and reading workshops which Miss Hume and Miss Dormand led recently. If you were not able to attend but would like some information about how you can help your child with their work at home, please just get in touch and we will make sure you receive a copy of the handout.

Attendance

Currently, our whole school attendance is falling some way below national expectations set by the Government. It is vital that your child comes to school every day, even if they are suffering from a cough, cold or other minor ailment, they should still be in school. Obviously, there are occasions when children are too ill to come to school however, there are a significant number of children who miss one or two days of school, almost on a weekly basis.

If your child is too unwell to come to school can you please ring the school office and let us know. This is a safeguarding issue, as we have a duty of care to ensure that we know where every child is if they do not come to school. If we have not heard from you, we will telephone you to check your child is safe and at home.

In order to raise the profile of attendance and encourage children to come to school every day, Mr Rogers is implementing a new reward scheme which he explained to the children in assembly today. Please ask your child about it – it's very exciting!

Thank you for your continued support.

Yours faithfully,

Mrs S Waller
