

## What is Humber Education Trust?

Humber Education Trust is a group of schools working in partnership to deliver the best possible educational experience and educational outcomes for our pupils. The schools that are working together are:

Maybury Primary School  
Tweendykes School  
Parkstone Primary School  
Woodland Primary School  
Clifton Primary School  
St Nicholas Primary School  
Neasden Primary School  
Ganton School  
Christopher Pickering Primary School  
Broadacre Primary School  
Adelaide Primary School

We already have a strong and effective partnership but we have chosen to take this to the next level and form a Multi Academy Trust (MAT). We have chosen Humber Education Trust (HET) as the name for our new MAT and have designed a logo to show who we are and what we do.

## Why are we creating Humber Education Trust?

Coming together into HET will mean we can plan and deliver learning and support for our children in closer collaboration and use our collective resources more effectively to get better value for money. We can also share our individual expertise and skills more easily and readily as we all strive for excellence.

Please find out more about our multi-academy trust, including reviewing our policies and statutory documents, by following the link to our website.
